

X-CELL™

Circulation Enhancer◊

The new Lifeplus® X-Cell™ Circulation Enhancer◊ is an arginine-based formulation in a great-tasting, sugar-free, citrus-flavored powder for convenient use.

It is designed to

- Support healthy nitric oxide production.◊
- Facilitate ammonia and lactate removal to moderate muscle fatigue.◊
- Support immune health.◊
- Maintain acid-base balance and provide antioxidant protection.◊

Researchers won the Nobel Prize for proving that the main ingredient in X-Cell – L-Arginine – produces “NO” in your body. “NO” stands for nitric oxide and is actually what your blood vessels use to stay dilated (open) so your blood can flow through them more easily and efficiently.◊

The organs in your body for which optimal blood flow is most critical are your heart, brain, and sex organs.

Firm up your circulation with X-Cell◊

Supplement Facts

KEEP OUT OF REACH OF CHILDREN.

As with all supplements, please consult your physician prior to taking if you are pregnant or attempting to become pregnant, breast-feeding, under a doctor's care or taking prescription medication. This product should not be taken with erectile dysfunction or nitroglycerin medications (sublingual or patches).

Allergy Information: This product is processed in the same facility that processes products containing fish/shellfish, soy and dairy.

This product was not tested on animals. Suitable for Vegans.

DIRECTIONS: Mix one tablespoon (approximately 15cc or 9.1g) of Lifepus® X-Cell drink mix with 4-6 ounces (120-180 ml) of your favorite cold liquid. Mix or shake vigorously. Drink immediately.

Lifepus X-Cell is formulated with a synergistic combination of L-Arginine Alpha-Ketoglutarate and L-Citrulline Malate, which the body can naturally convert to additional Arginine, for optimal availability of Arginine in the body.
